Dear Richard

RE STUSTON PARISH MEETING – ORDER UNDER SECTION 109 OF THE LOCAL GOVERNMENT ACT 1972

I refer to this matter and to my letter of 7 October 2016.

Within my letter I should have also mentioned that when this matter was considered at the Council meeting on 22 September 2016, Members of Mid Suffolk District Council had certain concerns. The Members asked me to point out to you that before exercising the power to provide certain traffic signs and other notices under Section 72 of the Road Traffic Regulation Act 1984 that you ought to consult with the Highway Authority (Suffolk County Council) to ensure that you have the Highway Authority's approval.

I am confident that you will seek approval from Suffolk County Council as suggested above.

With best wishes.

Yours sincerely

Jonathan Reed
