

**Use of allocated Neighbourhood Community Infrastructure Levy – showing projects considered, with those agreed 28 April 2022 marked by a tick symbol**

	<b>Proposal</b>	<b>Cost indication</b> (from one supplier)
	1 Fixed picnic benches (non-rotting) on The Common (consider risk of litter and vandalism)	£800 - £1000 inclu..VAT per bench plus cost of concrete bases and fixings
√	2 Large marquee for social events	Depends on specification e.g. approx £1100 including VAT for 3m x 6m (650 grams per sq m quality)
	3 Bus shelter for children going to Hartismere High School (consider risk of litter and vandalism)	Depends on specification. £2200 for simple no seat shelter to £6000 inclu. VAT.
√	4 New parish notice board/footpath map potentially benefitting a wider range of walkers	Depends on specification starting at approx. £900 inclu. VAT.
√	5 Replacement village gateway signs with ones made of rot proof material. The wooden one on the B1077 from Brome direction has rotted and collapsed. The one from the Diss direction is also wooden and requires routine maintenance.	Depends on specification. One supplier has quoted £870 inclu. VAT per gateway. Fixing would need to be agreed with Suffolk Highways.
	6 Additional dog mess signs erected in area - particularly near common land/farm east of B1077	Can be obtained free from MSDC
	7 Dog waste bins	£190 inclu VAT for a 25 litre bin plus cementing of pole and £45 p.a. emptying charge per bin
√	8 Additional electronic speed sign for Old Bury Road positioned on east or west approach	£3720 inclu VAT for Westcotec Speed Indicator Device similar to the one on the B1077. Suffolk Highways need to approve sites.

## Agenda Item 9 outcome

	9	Improvements to footbridge to left of Stuston Court and the ones to the west of Talbots Meadow to remove slipping risk in winter	A resident asked MSDC about surfacing. Unlikely to be approved due to the nature of the area. Cost of replacing the small footbridge near Stuston Court awaited.
√	10	Defibrillator	Option investigated to date is for a machine installed in an external unlocked heated cabinet. (Needs use of standard 3amp plug for heater) £1211.00 to purchase (VAT not applicable) plus £200 every 5 years to replace battery and £45 to replace pads if used or every 3-5 years).
√	11	Replacement mirror to aid those crossing the B1077 from School Lane	A more substantial mirror with wider visibility approx £130 including VAT
	12	Partnership with MSDC and landowner to erect covert movement-activated camera in wooded area on North side of Old Bury Road/Thrandeston Road	This fly tipping is outside the village boundary and on private land, so is the responsibility of the landowner.
	13	Repair of light in telephone box by qualified electrician	More appropriately charged to revenue budget, if electrician found.
√	14	Platinum Jubilee plaque for Coronation tree	More details required.

Some options will require permission from landowner or MSDC before proceeding.
